

Piramal Pharma appoints Vibha Paul Rishi to its Board of Directors

30 September 2022 | News

Vibha is a marketing professional and has held global leadership positions across branding, strategy, innovation and human capital

Piramal Pharma Limited (PPL) has announced the appointment of Vibha Paul Rishi to its Board of Directors. Rishi's appointment will add to the well-diversified experience that currently exists across the PPL Board.

Vibha is a marketing professional and has held global leadership positions across branding, strategy, innovation and human capital. In the domains of marketing and innovation, she has been associated with PepsiCo, Max India and the Future Group.

Vibha currently serves on the Boards of several reputed companies, including Tata Chemicals, ICICI Bank, ICICI Prudential Life Insurance Company, Asian Paints, and others. She is also on the Board of Pratham Education Foundation, an NGO that provides education to underprivileged children in India. She has joined the PPL Board which consists of senior professionals with significant industry experience across multiple sectors.
