Govt launches multiple health infrastructure projects in Ahmednagar

20 October 2022 | News

India will soon become global hub of medical tourism : Union Minister Dr Mansukh Mandaviya

Union Health & Family Welfare Minister Dr Mansukh Mandaviya inaugurated multiple health infrastructure projects at an event in Ahmednagar (Maharashtra) on 20 October. The projects include three Primary Health Care Centres in Ahmednagar which were inaugurated virtually and the Dr. Vikhe Patil Nuclear Medicine Centre.

Dr Mansukh Mandaviya inaugurated the construction of the main building & staff quarters of the Ralegan Siddhi Primary Health Care Centre (PHC). The PHC complex will be built at a projected cost of Rs 7.02 crore.

The Health Minister also inaugurated the construction of the main building and staff quarters of the PHC in Kharda, which is built at a projected cost of Rs 5.6 crore and the main building of the PHC in Padhegaon, which is built at a projected cost of over Rs 2.14 crore.

The Dr. Vikhe Patil Nuclear Medicine Centre was also inaugurated by Union Health & Family Welfare Minister. The Centre is equipped with facilities for comprehensive cancer care including both diagnosis and treatment. It is the first of its kind in the district and will cater to the population of Ahmednagar, Beed, Nashik, Aurangabad, Solapur and peripheral areas of Pune Districts.
