Aster DM Healthcare appoints Dr Nitish Shetty as India CEO

20 March 2023 | News

A seasoned healthcare management professional, Dr Shetty comes with close to two decades of leadership experience across various hospital chains

Aster DM Healthcare, one of the largest integrated healthcare providers in the GCC and India, has announced the appointment of Dr Nitish Shetty as Chief Executive Officer (CEO) of its India business. In this capacity, Dr Shetty will oversee the company's overall India operations and lead the growth of Aster DM Healthcare in India.

Dr Shetty joined Aster DM Healthcare in 2014, taking charge as the CEO of Aster CMI Hospital in Bengaluru and then rose to become the Regional Director of Aster Hospitals in Karnataka and Maharashtra, alongside assuming responsibility as a Director for Aster Labs.

His promotion to the role of CEO of Aster DM Healthcare India is in alignment with the Group's strategy to further strengthen Aster DM Healthcare's presence in the country. Before joining Aster, Dr Shetty worked for some of the reputed healthcare companies in India including BGS Global and Narayana Hrudayalaya.

For more than 23 years, Dr Shetty has specialised in strategic planning and management. Over last 8 years he has played a significant part in the commissioning and establishment of numerous projects including Aster CMI Hospital, Aster RV Hospital, Aster Whitefield Hospital and Aster clinics at Bangalore. He has also taken charge of Aster Labs recently.
