Intas Pharma appoints Dr Narahari Chittoor Rao as Associate VP- Cell & Gene Therapy

30 March 2023 | News

Dr Rao has over two decades of experience in the biotech industry

Ahmedabad-based Intas Pharmaceuticals has announced the appointment of Dr Narahari Chittoor Rao as Associate Vice President- Cell & Gene Therapy.

Dr Rao has over two decades of experience in the biotech industry having worked for both large multinational companies and startups. In addition to traditional biologicals such as recombinant proteins and antibody based projects, he has also worked with newly emerging modalities such as mRNA and viral vectors.

His experience spans process and product development from pre-clinical stage to commercially manufactured products.

He was previously serving as the Head of Global Process Development at Pune-based Enzene Biosciences. He has also worked with companies like Ultragenyx Pharmaceutical Inc., Moderna Therapeutics, Bristol-Myers Squibb, GlaxoSmithKline, amgen, to name a few.
