Allen introduces Superapp for PG medical aspirants

15 April 2023 | News

Designed to help students increase their knowledge through daily quizzes, conceptual video sections, latest news updates

Allen, a leading name in medical coaching across India with presence in Kota, Delhi and Panchkula, has announced the launch of the ALLEN NExT App, a cutting-edge platform designed to provide post graduate (PG) medical students with a comprehensive solution for National Eligibility Entrance Test (NEET-PG), Institute of National Importance Combined Entrance Test (INI-CET), and Foreign Medical Graduates Examination (FMGE) exam preparation. The app offers a range of unique features and resources, setting it apart from other exam preparation platforms in the market.

ALLEN NExT goes beyond just offering online resources. Students can also participate in computer-based offline major and minor subject-wise test series at ALLEN centres across India, allowing them to assess their knowledge in a real-world environment and identify areas for improvement before the actual exam.

Its designed to help students increase their knowledge through daily quizzes, conceptual video sections, latest news updates, exam information, and a video bank that covers concepts tested in NEET-PG, INI-CET, FMGE, and NExT. With over 700+ hours of content available in English and Hinglish, the app is taught by a team of experienced faculties.
