Max Healthcare & IIIT-Delhi collaborate to advance healthcare research and education

31 May 2023 | News

Signed a Memorandum of Understanding (MoU) to establish the strategic collaboration

Max Healthcare Institute, a leading healthcare provider in India, and Indraprastha Institute of Information Technology, Delhi (IIIT-Delhi), a leading research institute in the field of information technology, have announced a strategic collaboration to advance healthcare research and education in India.

The partnership aims to leverage the strengths of both organisations to promote and conduct high-quality research, develop cutting-edge healthcare solutions, and design and deliver capability and capacity-building programs for healthcare professionals.

IIIT-Delhi will bring its expertise in data science, machine learning, and artificial intelligence to this partnership and help develop innovative solutions that can augment the depth and breadth of healthcare services while reducing costs. Additionally, IIIT-D will also focus on enhancing the training of healthcare professionals, and promoting research in the field of healthcare technology in order to make a lasting impact in the healthcare space."

Max Healthcare and Indraprastha Institute of Information Technology, Delhi (IIIT-Delhi) have signed a Memorandum of Understanding (MoU) to establish the strategic collaboration. The MoU was signed by Rakesh Kaushik, Director Legal & Regulatory Affairs of Max Healthcare and Dr Ashok Solanki, Registrar, IIIT-Delhi.
