TR Life Sciences enters into strategic partnership with SJAS Hospital of Dhanbad

01 August 2023 | News

Support to the 300-bed SJAS Super Specialty Hospital in its commissioning

TR Life Sciences, a Delhi-based hospital management consulting firm, has entered into a strategic partnership with SJAS Super Specialty Hospital, which is set to be operational soon in Dhanbad, to offer the latest advancements in medical care to patients of the city and surrounding region in Jharkhand and other states.

As part of the tie-up, experts of TR Life Sciences would provide consultancy and support to the 300-bed SJAS Super Specialty Hospital in its commissioning. They would also monitor key performance indicators, conduct regular audits, and offer recommendations to ensure sustained operational excellence of the hospital. The aim is to revolutionise the way healthcare is delivered and experienced by both patients and medical professionals.

Commissioning soon, SJAS Super Specialty Hospital would offer advanced medical services and treatment in a wide range of specialties. With state-of-the-art infrastructure, top-notch medical equipment, and a team of highly qualified doctors, it is committed to providing the highest standards of medical care to patients. From diagnostics and medical consultations to surgical interventions and post-operative care, SJAS Super Specialty Hospital is geared to offer comprehensive and personalized healthcare services that cater to the unique needs of each patient of the entire North-Eastern region.

TR Life Sciences was established in 2018 with a mission to enhance the quality of healthcare by providing state-of-the-art services in project planning, design, development, and management operations of hospitals.
