Global Bio-India 2023 showcases à¤?à¤¨CARE heath-tech startup products for low resource setting

05 December 2023 | News

Along with the innovative products, à¤?à¤¨CARE Healthcare Innovation Challenge Field Deployment Report launched

On the second day of Global Bio-India 2023 summit, numerous products by health-tech startups were unveiled in the presence of dignitaries from Council of Scientific & Industrial Research (CSIR), Department of Biotechnology (DBT), Biotechnology Industry Research Assistance Council (BIRAC), National Association of Software and Service Companies (NASSCOM), TiE, as a part of the à¤?à¤¨CARE Healthcare Innovation Challenge.

The products include Spandan Portable ECG device (Sunfox Technologies); AI wearable-based virtual maternal care platform (Savemom); AI-assisted telepathology platform for improved diagnostic access (Onward Assist); Clinical chemistry analyser HaemurEx (Arogyam Medisoft Solution); Deep tech screening tool for dyslexia screening in children (Giftolexia Solutions); Multi speciality e-clinic (Yuvitel Technology); AI/ML based screening tool for neonatal infections and antibiotic resistance (Avyantra); Computational pathology platform (Aindra Systems); Virtual reality-Metaverse platform to check brain functionality in children (Embright Infotech)

Along with the innovative products, à¤?à¤¨CARE Healthcare Innovation Challenge Field Deployment Report was also launched, that showcases the on-ground impact created by 15 health tech innovative solutions developed by the startups. These solutions have been deployed in primary and community health centres across 12 states bringing together state governments, industry and other stakeholders.

à¤?à¤¨CARE in collaboration with Grand Challenges India (GCI), is a nationwide “Discover – Design – Scale” programme, envisioned to identify innovative health-tech solutions from startups for strengthening the healthcare delivery in India.

BIRAC has organised Global Bio-India 2023 focusing on ‘Biotech Innovation’ and ‘Bio-manufacturing’ and its impact on the BioEconomy of the country. The event is being held from 4rth to 6th December in Delhi.
