Medikabazaar inaugurates new central distribution centre in Kolkata

11 March 2024 | News

Aims to strengthen its commitment to affordable healthcare in India

Mumbai-based startup Medikabazaar, a leading B2B online platform serving the healthcare industry, has officially opened its new Central Distribution Centre (CDC) in Kolkata

The establishment of the Central Distribution Centre in Kolkata symbolises Medikabazaar's commitment to expanding its presence in the eastern region of India. By enhancing its footprint, the company aims to bolster its supply chain network and further its dedication to ensuring that healthcare services are accessible and affordable to all.

Vivek Tiwari, Co-founder and CEO of Medikabazaar, said, "The opening of our CDC in Kolkata marks a significant milestone for Medikabazaar as we aim to better serve the healthcare industry in the eastern region of India. This initiative reflects our ongoing efforts to strengthen our supply chain network and enhance our support for healthcare providers in this region."

The new Central Distribution Centre in Kolkata is poised to play a pivotal role in Medikabazaar's mission to streamline healthcare supply chain operations and foster industry growth in the region.
