Merck Life Science enters into MoU with Amity University, Noida

22 March 2024 | News

Practical & Industry Oriented certificate courses will be offered to the students

Merck Life Science has announced the signing of a Memorandum of Understanding (MoU) with Amity University, Uttar Pradesh, Noida campus, envisioning significant collaborations between the organisation in Academics and Research.

Under this MoU, 'Practical & Industry Oriented Certificate Courses' focusing on advanced instrumentation will be offered to the students with hands-on training opportunities. The objective behind this collaboration is to ensure that the students are industry-ready.

The MoU was signed by Dhananjay Singh, Head, of Science and Lab Solutions, India Commercials from Merck Life Science, and Prof (Dr) R.K. Kapur and Dr W. Sevamurthy from the Amity University, Noida Campus, Uttar Pradesh.

Among the other dignitaries, Dr Pankaj Joshi, Head of Asia Pacific Commercial Marketing, Science and Lab Solutions APAC Commercials; Mahesh Goyal, Sales Head Academia (North and West) and Dr Paramita Sen, Ph.D., Solution Scientist from Merck were also present at the signing.
