International Institute of Health Management Research launches new PG certificate programmes

05 July 2024 | News

Designed to cater to the growing demand for specialised education in the healthcare sector

International Institute of Health Management Research (IIHMR), Delhi has announced the launch of its AICTE-approved Online Postgraduate (PG) Certificate Programmes, designed to cater to the growing demand for specialised education in the healthcare sector.

In alignment with the National Education Policy's mandate to enhance the quality and reach of higher education, IIHMR Delhi has introduced three courses-

1. PG Certificate in Hospital Management

2. PG Certificate in Logistics & Supply Chain Management

3. PG Certificate in Public Health Financial Management

These online programmes are specifically designed to provide flexibility and accessibility for working executives, enabling them to advance their careers without disrupting their professional commitments.

By leveraging technology, these programmes offer a dynamic learning environment that combines academic rigor with practical relevance. The AICTE approval ensures that these programs meet the highest standards of academic excellence and are equivalent to the quality of on-campus programmes.
