TM Media wins Elets Pharma Leadership Award for Leading Biotechnology Company

03 September 2024 | News

TM Media will continue to strive for excellence in the field of biotechnology

TM Media, a brand of Titan Biotech, has been recognised as the Leading Biotechnology Company at the 6th Elets Pharma Leadership Awards.The award ceremony was held on August 30th at Novotel Juhu in Mumbai and was organised by Elets Technomedia Pvt Ltd.

This award is a testament to TM Media's commitment to excellence in biotechnology and its innovative solutions. The company's dedication to research, development, and providing cutting-edge products has been instrumental in its success.

Udit Singla, the Vice President of TM Media, stated, “We are thrilled to receive this prestigious award. It’s a recognition of our team’s hard work, dedication, and innovative spirit. This award inspires us to continue pushing the boundaries of biotechnology and to deliver groundbreaking solutions that positively impact the world.”

The Elets Pharma Leadership Awards recognise organisations and individuals that have made significant contributions to the pharmaceutical industry. The awards are a platform to showcase innovative ideas, best practices, and technological advancements.
