2025 Modi Prix Galien India Award gives recognition to innovations in life sciences

21 March 2025 | News

Galien Foundation fosters, recognizes, and rewards excellence in scientific innovation to improve human health

The Galien Foundation, a premier global institution dedicated to honouring innovators in life sciences, recently celebrated excellence and innovation in life sciences during the Prix Galien India Forum and second annual Modi Prix Galien Awards in

New Delhi.

The Prix Galien India Awards Committee, comprised of renowned leaders from the biomedical industry and academia, honoured this year's award winners in the following categories:

Best Biotechnology Product- PNEUBEVAX 14 by Biological E

Best Academic/Public Sector- Indian Institute of Science

Best Medical Technology- Misso Robotic System by Meril Healthcare

Best Startup/Digital Health Solution- Inaccel Technologies

Jadhav Prataprao Ganpatrao, Union Minister of State for Health and Family Welfare, Government ofIndia, personally distributed the prestigious Modi Prix Galien awards to the awardees.

Dr Renu Swarup, Modi Prix Galien India Committee Chair said, "As we move forward, it is crucial that we continue to foster an ecosystem that encourages innovation and collaboration. The future of healthcare depends on our ability to work together towards transformative solutions."
