Aragen appoints Aniel Khubchandani as CEO of Development and Manufacturing Solutions biz

07 August 2025 | News

Khubchandani will be a member of Aragenâ??s Management Council

Aragen, a leading global Contract Research, Development and Manufacturing Organization (CRDMO), has announced the appointment of Aniel Khubchandani as CEO of its Development & Manufacturing Solutions business. Khubchandani will be a member of Aragen's Management Council and will be based in Hyderabad.

Before joining Aragen, Khubchandani was the CEO of Sekhmet Pharmaventures and Co-CEO at Jubilant Ingrevia Limited, where he successfully led significant business transformations and growth strategies.

His extensive experience includes organic growth initiatives, mergers & acquisitions, B2B digital marketing, enterprise risk management, licensing, and strategic execution. He is a certified Independent Director (IICA), a Six Sigma Black Belt, and an alumnus of IIT, IIM, and the Kellogg School of Management.

Commenting on the appointment, **Manni Kantipudi, Chief Executive Officer, Aragen Life Sciences, said**, *"Aniel brings over 30 years of leadership experience in pharmaceuticals and specialty chemicals, with deep expertise in life sciences, commercial operations, and strategic initiatives, to lead this journey."*
