â??28th edition of Bengaluru Tech Summit to attract 20,000+ delegatesâ?•

04 November 2025 | News

BTS 2025 under the theme â??Futuriseâ?? will feature ten curated conference tracks

“The 28th edition of Bengaluru Tech Summit (BTS 2025), a three-day event scheduled from November 18-20 at will feature 500+ speakers, 20,000+ delegates, 1,000+ exhibitors and 50,000+ business visitors from over 60 countries at Bangalore International Exhibition Centre (BIEC), a modern, purpose-built venue offering world-class infrastructure and eco-conscious facilities” said Dr Manjula N, Secretary, Department of Electronics, IT, Bt & S&T, Government of Karnataka.

Highlighting the move to the BIEC, Dr Manjula noted that the upgraded venue provides the ideal setting for a larger and more ambitious event. “BIEC offers world-class facilities and excellent connectivity, enabling BTS 2025 to host global participants and deliver an expanded experience for innovators and investors alike,” she said. Dr Manjula further emphasised that the enhanced scale of the summit reflects the Government’s commitment to driving deep tech innovation and supporting entrepreneurs shaping the future of technology.

The multi-pavilion exhibition will spotlight innovations across sectors with increased global participation. The Startup Springboard will feature investor pitching, mentoring clinics, thematic sessions, and the Startup Pavilion, offering growth-stage startups critical visibility and investor access. Highlight programmes include the Rural IT Quiz, BioQuiz, Exhibitor Awards, and the Global Leaders Reception.

Organised by the Department of Electronics, IT & Bt, Government of Karnataka, Bengaluru Tech Summit (BTS 2025) under the theme ‘Futurise’ will feature ten curated conference tracks spanning AI & Deep Tech, Defence & Space Tech, Electronics & Semiconductor, DigiHealth & Biotech, Energy & Mobility, Fintech, and Edutech.

With its expanded scope, global participation, and deep focus on innovation, Bengaluru Tech Summit 2025 reaffirms Karnataka’s position as the Innovation and Deep Tech Capital of India, showcasing the State’s leadership in building technologies and startups that will shape the future.
