Rainbow Childrenâ??s Medicare appoints Abrarali Dalal as Chief Executive Officer

21 January 2026 | News

Dalal brings more than 25 years of distinguished experience in the healthcare sector

Rainbow Children’s Medicare, a leading provider of paediatrics, perinatal, and women’s healthcare services in India, has announced the appointment of Abrarali Dalal as Chief Executive Officer, effective from January 20, 2026.

Dalal brings more than 25 years of distinguished experience in the healthcare sector, including leadership roles in multi-location hospital networks, operational excellence, and strategic growth initiatives. His appointment follows the recommendation of the Company’s Nomination and Remuneration Committee and a resolution passed by the Board of Directors.

In his new role, Dalal will be responsible for overseeing Rainbow’s continued expansion, enhancing clinical and operational performance, and driving value for patients, partners, and stakeholders. His deep industry knowledge and proven track record in healthcare leadership are expected to play a pivotal role in shaping the next chapter of the company’s growth.
