Sebia announces appointment of Nitin Wadhwa as General Manager, India

17 April 2026 | News

Wadhwa has over 23 years of experience in the diagnostics and healthcare industry

Sebia India has announced the appointment of Nitin Wadhwa as General Manager for India.

With over 23 years of experience in the diagnostics and healthcare industry, Wadhwa brings extensive expertise in sales leadership, business development, strategic planning, and channel management. He has a strong track record of driving growth and building high-performing teams across diverse markets.

In his new role, Wadhwa will lead Sebia's commercial strategy in India, with a focus on strengthening market development initiatives and accelerating business growth. He will work closely with regional and global teams to further expand Sebia's presence and enhance its impact in the Indian diagnostics landscape.

This appointment underscores Sebia's commitment to continued investment and long-term growth in India, a key market for the company.
