The Confederation of Indian Industry (CII) and the National Research Council (NRC) of Canada signed an MoU to support the Small and Medium Enterprises (SME) in India and Canada. The MoU was signed coinciding with the 16th IETF, organized by CII. N Srinivasan, director general, CII, said, "The objective of the MoU is to promote and facilitate the development of technology-based joint ventures or strategic alliances between SMEs from Canada and India."
