Key Highlights -

1. GHA-certified and UNGC-compliant, the company has built a strong network of over 400 hospital partners.
2. It is also recognised as one of the fastest-growing medical travel platforms, strengthening access to quality healthcare services across markets.

Founder Speaks -

We have built an AI-enabled platform combined with an offline support journey to help the 15 million patients who seek medical treatment abroad. Our franchise network across Western countries further strengthens our presence and enables us to support patients closer to where they live.

- Aditya Oza
