5. Built a doctor-led preventive healthcare and longevity model integrating diagnostics with personalised preventive and regenerative therapies.
6. Raised â?19 crore in pre-Series A funding at an approximate valuation of â?133 crore.

Founder Speaks -

With the â?19 crore funding, the company plans to strengthen its presence in Mumbai by establishing two additional centres by the end of the year, expanding its local network to three centres. Over the coming years, it aims to further scale its operations and build a network of 10 clinics across India.

- Dr. Chirantan Bose
