BIORx Venture Advisors inks strategic partnership with STBI to support startups

13 November 2026 | News

G-BioX is a 12-week accelerator for revenue-stage Biotech and MedTech scaleups

Arjunbhai Modhwadia, Cabinet Minister, Science & Technology, Government of Gujarat, recently announced the launch ofG-BioX at GInTech Conclave 2026, organised by Savli Technology & Business Incubator (STBI), Department of Science & Technology, Government of Gujarat.

G-BioX is a 12-week accelerator for revenue-stage Biotech and MedTech scaleups, run in partnership with BIORx Venture Advisors.

It offers a cohort of 15 scaleups (10 Biotech, 5 MedTech); 1:1 mentoring with 30+ domain and growth experts; Market access, commercialisation and Go-to-Market (GTM) support; Regulatory and IP compliance support; Investor readiness, with 15+ strategic investors at Demo Day; and 3 months of post-programme support.

Through this partnership, BIORx Ventures will support promising Biotech and MedTech ventures in strengthening their business foundations, accelerating commercialisation, accessing markets and becoming investment-ready.
