National BioQuiz 2026 celebrates young scientific talent at Bengaluru Tech Summit

20 November 2026 | News

To showcase knowledge of biotechnology and biological sciences, with Deep Roy from West Bengal emerging as the national winner

The National BioQuiz 2026 concluded at the 29th Bengaluru Tech Summit (BTS) with students from across India competing in the national finals, highlighting the growing interest in biotechnology and life sciences among young learners.

Deep Roy from Prabhu Jagatbandhu College, West Bengal, emerged as the winner of the National BioQuiz 2026. Nandhana Priya R.R. from SKASC, Tamil Nadu, secured the second position, followed by Nishi from Noida Institute of Engineering and Technology, Uttar Pradesh, in third place. Tejas Revgade from Kolhapur Institute of Technology College of Engineering, Maharashtra, secured fourth place.

The competition provided a national platform for students to demonstrate their knowledge of biological sciences and biotechnology, while encouraging scientific curiosity and greater engagement with emerging developments in life sciences.

The BioQuiz formed part of Bengaluru Tech Summit 2026, held from November 17 to 19 at the Bangalore International Exhibition Centre (BIEC) under the theme ‘AI & Beyond’. The summit brought together technology leaders, researchers, policymakers, startups, investors and academic institutions to discuss innovation and emerging opportunities across technology and biotechnology.
