Jubilant Life Sciences announces price increase of 18% for Niacin

Jubilant Life Sciences, a significant player in the Nutrition market and ranked amongst the largest manufacturers of Vitamin B3 (Niacin & Niacinamide) in the world on March 13, 2014 announced a price-increase of 18% for Niacin feed-grade, with immediate effect, for non-contract customers and wherever existing contracts permit.

As per the company's statement, it delivers unmatched advantages of consistent quality and availability of Vitamin B3 (Niacin & Niacinamide) to its customers globally. The company's nutrition business is backward integrated up to the initial raw material stage with global scale of operations.
