Dr LH Hiranandani Hospital to host IBOM 2014 in Mumbai

Dr L H Hiranandani Hospital will host the International Biologics Orthopaedic Meet (IBOM 2014) in Mumbai on May 30-31, 2014. The event which is scheduled to take place at Sofitel, Bandra Kurla Complex, Mumbai is a scientific meeting dedicated to the use of Biologics Orthopaedic therapy in orthopedics and sports medicine.

This conference is organized in collaboration with Hiranandani Orthopaedic Medical Education (HOME), the orthopaedic research division of the Dr L H Hiranandani Hospital, and the Biological Orthopaedic Society, USA. The objective behind this initiative is to create awareness on biologics orthopaedic therapy, which is becoming a very popular treatment option in orthopaedics and sports medicine across the world.

Sports medicine is a sub-specialty of orthopaedics that aims at evaluating an individual's sports capabilities. It analyzes the strengths and weaknesses of an athlete or a sports person and offer solutions accordingly.

The meeting includes educational lectures from eminent national and international experts who have spent considerable time in this field. IBOM will serve as a resource pool of prominent doctors from across the globe for advanced treatment options provided to orthopaedics for best patient care.

The prominent national faculty includes Anant Joshi, Ashok Johari, Deepak Goyal, Dinshaw Pardiwala, Hitesh Gopalan, Jaspal Sandhu, Mandeep Dhillon, Nicholas Antao, Roshan Wade, Sanjeev Jain, Sanjay Desai, Sachin Tapasvi, Yajuvendra Gawai, Uday Prakash and Vaibhav Bagaria.
