### Jubilant Life Sciences receives 'Excellence Award' from UP Govt

Jubilant Life Sciences has been awarded in two categories with prestigious Shri Janeshwar Mishra Export Awards. The two awards recognise the exceptional work undertaken by Jubilant at its manufacturing facility in Gajraula, District Amroha, Uttar Pradesh (UP).

The awards received by Jubilant Life Sciences includes an 'Excellence Award' and a 'First Award' for its performance in the field of Export under the category of Chemicals , Pharmaceuticals and Cosmetics for the year 2011-12. The awards are felicitated by the Export Promotion Bureau, Department of MSME, government of Uttar Pradesh every year to acknowledge individual and organisations across the Uttar Pradesh that demonstrates excellence in their work or activities.

The two awards were received by Mr Shyam Bang, Executive Director, Manufacturing and Supply Chain, Jubilant Life Sciences on behalf of the company. "I am delighted and honoured to receive the awards. I will attribute this recognition to all our employees at our plant in Gajraula and to our valued customers spread across the globe. This achievement has inspired our people to deliver quality performance, today and forever, and provide best results to our customers," expressed Mr Shyam Bang, Executive Director, Manufacturing & Supply Chain, Jubilant Life Sciences.

Dignitaries present on the occasion were Mr Bhagwat Singh Gangwar, State Minister for MSME and Export Promotion, Mr. Mukul Singhal, IAS Principal Secretary MSME & Export Promotion and Mr Mahesh Chandra Gupta, IAS Commissioner & Director of Industries, Government of Uttar Pradesh.
