Tel	+91-22-28278000
Fax	+91-22-28370939
Website	www.aventispharmaindia.com

Aventis Pharma clocked a total sales of Rs 68.34 crore in 2009-2010. In February 2009, there was a discontinuance of distribution of the anti rabies vaccine, Rabipur which led to a slight drop in its total revenues. During the fiscal, its insulin brand, Lantus had a sales growth of 38.6 percent. It presently has a market share of 8.7 percent in this segment. It has become the third largest insulin brand in the last quarter of 2009. Aventis has state-of-the-art manufacturing sites at Goa and Ankleshwar, where a number of pharmaceutical ingredients and formulations are produced. Both the sites comply with prevailing Good Manufacturing Practice (GMP) and Health, Safety and Environment (HSE) standards and score highly in terms of performance. The Ankleshwar plant achieved a record production of four billion tablets. New products were manufactured and launched in the domestic Tier 2 markets. The upgradation of the laboratory at Ankleshwar was completed and it was made operational. The company has 2106 employees as on December 31, 2009.
