University of Hyderabad to organize BioQuest 2015

The event is being organized to showcase the ongoing teaching and research programs, infrastructural facilities and expertise of the faculty in different areas of lifesciences to the industry. Leaders from the Biotech and Pharma industry will participate in the event.

The two day event to be held at the SLS Auditorium, will be inaugurated by Dr Lalji Singh, former director, Centre for Cellular and Molecular Biology (CCMB). The topics that will be covered are Plant Biology and Biotechnology, Drug Discovery and Development, Cellular and Molecular Biology, and Innovation and Entrepreneurship.

The event will also have student's presentation, poster presentations and the award ceremony.
