Clariant announces Adnan Ahmad as the new Regional President in India

01 June 2017 | News

Adnan holds a masters degree in Chemical Engineering from Queens University, Canada. He received a National Energy Conservation award from the Indian Prime Minister Dr. Manmohan Singh in 2004

Clariant, a world leader in specialty chemicals, announces the appointment of Adnan Ahmad as region president, India.

Effective June 1, 2017, Adnan Ahmad assumes the role of region president for Clariant in India and also the Vice-Chairman & Managing Director of Clariant Chemicals (India) Limited.

Adnan has over 32 years of industry experience across sectors and continents. He began his career with ICI where he worked in a variety of manufacturing, supply chain and business roles across India.

He worked in the UK, with responsibility for Europe and Africa and in Singapore with responsibility for Asia and Pacific regions. He also served on the Board of Castrol India Limited

Adnan holds a masters degree in Chemical Engineering from Queens University, Canada. He received a National Energy Conservation award from the Indian Prime Minister Dr. Manmohan Singh in 2004. He has also been conferred with the Helios Award for Human Energy by Lord Browne, the erstwhile Chief Executive of BP plc, for leading transformational change in Road Safety for Castrol India.
