NABL accreditation for Eppendorf's Pipette Calibration Centre

09 June 2017 | News

This Centre can calibrate any make of piston stroke pipette and issue certificate as per the guidelines of NABL.

Eppendorf India Limited announced that its Pipette Calibration Centre in Hyderabad has received ISO 17025:2005 accreditation from National Accreditation Board for Testing and Calibration Laboratories (NABL). This Centre can calibrate any make of piston stroke pipette and issue certificate as per the guidelines of NABL.

The company in release noted that with this, it has NABL accredited Pipette Calibration Centres in 4 locations in India namely Chennai, Bengaluru, Pune and Hyderabad. These centres can calibrate micro pipettes (fixed, adjustable-volume, mechanical and electronic) and dispensers from customers nearby.

Eppendorf products are most broadly used in academic and commercial research laboratories, e.g., in companies from the pharmaceutical and biotechnological as well as the chemical and food industries. They are also aimed at clinical and environmental analysis laboratories, forensics, and at industrial laboratories performing process analysis, production, and quality assurance.

Eppendorf was founded in Hamburg, Germany in 1945 and has about 2,850 employees worldwide. The company has subsidiaries in 25 countries and is represented in all other markets by distributors.
