ISHRAE is an association of 12000 members of HVAC&R engineers across India with presence in 41 cities. It also has 10,000 student members. The main goal of ISHRAE is disseminating the knowledge of HVAC & R through trainings and courses. Symposia is one such national event. Other such events are ISHRAE Certified Professional courses in HVAC & R industry. Current National President is Mr. Vishal Kapur. ISHRAE Mumbai chapter president is Mr. Ajaj Kazi. Convener of Symposia is Mr. Amod Dikshit, Co convener is Mr. R.N. Joshi. The event is hosted and conducted by Mr. Mihir Sanghavi.

Dr. Muffazal Lakdawala, Head of Department, Bariatric Surgeon, Saifee Hospital, Mumbai said, "Change in today's technology is a need of the hour, where equipments and technologies aid our work as doctors. The ease of technology has allowed doctor's in India to perform surgeries flawlessly which have been witnessed in other parts of the world. Collaboration of robotics in surgery is a growing concept and such innovation is required to aid the industry. Engineers today are innovating technologies and developing devices which enable the surgeons to have a touch and feel experience of the surgery."
