

Bio Agile wins award for clinical research

17 July 2017 | News

The award demonstrates company's commitment and expertise in providing better clinical research services in India.

Bio Agile Therapeutics Pvt. Ltd was honoured as the Emerging Clinical Research Organisation of the year 2017 hosted by “Times Television Network - Times Influence National Marketing Excellence Awards (For Excellence in Healthcare)”.

Managing Director Ms. Divya Chandradhar received the award held in The Taj Lands' End, Mumbai on 7th July 2017. The award demonstrates company's commitment and expertise in providing better clinical research services in India.

Bio Agile Therapeutics caters research services to Pharmaceuticals, Nutraceuticals, Herbs, Cosmetics, and Medical Devices industries. The company has been structured to provide quality services to its sponsors.

Bio Agile Therapeutics Pvt. Ltd. is a ISO 9001:2015 Certified Company, a privately-owned well established full-service CRO (Contract Research Organization) headquartered in Bangalore, India. It provides end-to-end clinical trial support for Phase II-IV clinical trials.
