Haryana and Karnataka to have Yoga and Naturopathy based research institutes

04 August 2017 | News

The government has approved establishment of Post Graduate Institutes for Research in Yoga and Naturopathy at Nagmangla (Karnataka) and Jhajjar (Haryana).

The establishment of research institutes in Yoga and Naturopathy in Karnataka and Haryana has been approved by the Union government.

An autonomous research council called Central Council for Research in Yoga and Naturopathy (CCRYN) is working under the Ministry of AYUSH as the apex body for research and education in the field of Yoga and Naturopathy.

Further, the Governing Body of CCRYN has decided to establish five more research institutes in the country.

It was further informed that the CCRYN was running a Central Research Institute of Yoga & Naturopathy at Rohini, Delhi, with 20 bedded hospital of Yoga & Naturopathy.

The government has approved establishment of Post Graduate Institutes for Research in Yoga and Naturopathy at Nagmangla (Karnataka) and Jhajjar (Haryana) at a total cost of Rs 59.67 crore and Rs 52.04 crore respectively.
