Shripad Naik inaugurates Regional Research Institute of Homoeopathy in Agartala

12 September 2017 | News

The Regional Research Institute (RRI) is one of the 9 institutes functioning under CCRH

Regional Research Institute of Homeopathy (RRI) in Agartala, Tripura was recently inaugurated by the Union Minister of State for AYUSH, Shripad Naik.

Inaugurating the institute, he urged Homeopathic researchers to contribute and help the Government in the management of epidemics like Dengue, Chikungunya, Malaria and Swine Flu as the contribution of Homeopathy in controlling epidemics is well known in the past.

The strengthening of health services and propagation of AYUSH systems in North-Eastern states is one of the main priorities of AYUSH Ministry, he said.

He further elaborated that we should develop indigenous technologies and drugs that are scientific, efficacious and cost effective to tackle these diseases. The Minister also said that the Institute should focus on Malaria research with Homoeopathy as this disease is endemic in the region.

The Regional Research Institute (RRI) is one of the 9 institutes functioning under CCRH. Spread over an area of 2.05 acres, it has facility of general OPD, Research OPD, pathological investigations, 30 bedded IPD. More importantly the Institute has the facility of Yoga & Naturopathy and there is a scope of future expansion also. This is the 3rd Homoeopathic regional research institute in the North Eastern states and the first with own land and building.
