Dubai's 1st ever AYUSH conference will be held in India

13 October 2017 | News

Dubai's 1st ever AYUSH conference will be held in India The symposium will have 30 invited talks, 150 oral presentations and 100 posters.

India is all gearing up to organize Dubai's first ever AYUSH conference in November. Through this event, Science India Forum plans to spread awareness about the prevention and management of lifestyle diseases through Yoga and Ayurveda.

The conference for Ayurveda, Yoga and Naturopathy, Unani, Sidha and Homeopathy (AYUSH) practitioners, policy makers, industrialists, researchers and students is being organised under the patronage of Sheikh Nahayan Mabarak Al Nahayan, Cabinet Member and Minister of Culture and Knowledge Development with the Indian missions in Abu Dhabi and Dubai. The symposium will have 30 invited talks, 150 oral presentations and 100 posters.

As many as six workshops are scheduled on Cupping Therapy, Varma Therapy of Sidha, Herbal product registration, Ayurvedic dietetics, Marma and Ayurveda (healing through stimulating vital points) in the conference to be attended by 1200 delegates from AYUSH systems from more than 20 countries.

Policy makers, eminent personalities and experts of AYUSH system from Australia, Canada, the US, Singapore, Malaysia, Germany, Russia, India, Hungry, Sri Lanka will participate.
