BioSpectrum
the business of Bio & Health Sciences

***IVD, medtech
innovations***

***Cardiovascular
sector progress***

Pharma & API

The background of the slide is a composite image. It features several axial brain MRI scans in shades of blue and white. Overlaid on these are various text elements and a DNA microarray pattern. Labels like 'AF', 'RFP', '5cm', 'Tra>Co', 'EoV 199-22', '5123', 'SAT1 23 / 180', 'STUDY 1', '11:01', '41:56', and '12 MAR 18' are visible. A DNA microarray pattern with small colored spots is also present in the lower right area.

October 2024

- ***Biotech Entrepreneurship, funding, bioincubators***
- *Breast cancer & early diagnosis*
- *Fostering biomedical sciences*

November 2024

***Ethical
Considerations in
Biotech &
BioPharma***

*India's take on
Diabetes*

*AMR- Where are
we?*

December 2024

***Year in Review and Future
Outlook***

***Hits & Misses across life sciences
sector***
