Award winning opportunity for the diagnostic/medtech companies

15 November 2019 | News

Ranking and Profiling the companies involved in manufacturing or distributing diagnostic kits and medical devices

BioSpectrum India is coming up with a Diagnostics/ MedTech special edition in December 2019 wherein we will be Ranking and Profiling the companies involved in manufacturing or distributing diagnostic kits and medical devices.

The profiles of the companies will be covered and highlighted, who will share their achievements in this space in the past financial years.

To start with the process, please fill in the survey form. The last date for applications is 19th Nov 2019.

Also, an award ceremony would be held in March 2020 to felicitate the winners of the ranking survey.

Hurry up, the opportunity closes soon!
