Medix Global appoints Neeloy Roy Chowdhury as Head of Sales and Partnerships, India

03 December 2021 | News

Roy Chowdhury will be in charge of establishing Medix as a leader for digital-health solutions and management services

Roy Chowdhury joins the leadership team in India as the company expands its footprint and launches new services in the market. He will be working closely with Sigal Atzmon, Founder and CEO and Jonathan Sternberg, Chief Business Officer, Medix Global.

Roy Chowdhury will lead the gamut of sales and strategic partnerships with insurers, corporates, hospitals, government bodies and other stakeholders. He will be in charge of establishing Medix as a leader for digital-health solutions and management services.

Roy Chowdhury comes with a diverse experience of over 23 years having worked with Xerox India, ICICI Bank, Corbus, ClickSoftware and BlueDolphin.

Roy Chowdhury is an alumnus of Delhi College of Engineering and holds a bachelor’s degree in Engineering. He also holds a PGDBM (Marketing & IT) from International Management Institute, Delhi.
