StanPlus appoints Suhas Kulkarni as CTPO

08 June 2022 | News

With over 20+ years of technical experience, the ex-Uber engineering leader has worked on multiple products and domains

StanPlus has appointed ex-Uber techie, Suhas Kulkarni as the Chief Technology Product Officer (CTPO). Bespoke CTO Search firm, Purple Quarter was the preferred partner for the tech leadership search.

With over 20+ years of technical experience, the ex-Uber engineering leader has worked on multiple products and domains. In his previous stints, he has been associated with renowned brands such as Oracle, SocialCode and Gree among others. He has built talented teams and delivered reliable, scalable, mission-critical applications, systems, and infrastructure.
