Aims to facilitate access to quality and affordable generics on a global scale

Pharmexcil, the pharmaceutical export promotion council of India, is planning to organise the 10th editon of Internatonal Pharma and Healthcare exhibition (IPHEX) at Greater Noida from August 28-30, 2024.

Inviting Industry members to take part in this mega event, the Pharmexcil has officially opened online stall reservations for the highly anticipated 10th edition of the International Pharma and Healthcare conglomeration. The event, expected to be held at India Expo Mart Limited (IEML) in Greater Noida, aims to facilitate access to quality and affordable generics on a global scale.

IPHEX, organised by Pharmexcil with support from the Ministry of Commerce and Industry, Government of India, has established itself as a premier platform for the pharmaceutical and healthcare industry.

Over the past decade, nine successful editions have been hosted in major cities including Mumbai, New Delhi, Ahmedabad, and Hyderabad, attracting over 50,000 foreign delegates, including regulatory officials, importers, and distributors from more than 120 countries.

With the participation of 4,000 exhibitors and over 100,000 visitors, IPHEX has garnered international recognition and fostered collaboration within the pharmaceutical community worldwide.

With a robust lineup of exhibitors and an extensive profile of attendees, IPHEX 2024 promises to be a dynamic platform for industry collaboration and growth.
