Mujtaba Hasan Askari steps in as Telangana State Head for Healthcare Professionals â?? AIPC

08 February 2025 | News

Askari will focus on addressing the concerns of healthcare professionals

Mujtaba Hasan Askari has been appointed as the Telangana State Head for the Healthcare Professionals Domain under the All-India Professionals Congress (AIPC). He expressed his gratitude to Praveen Chakravarty, Chairman of AIPC, for entrusting him with this responsibility.

In this role, Askari will focus on addressing the concerns of healthcare professionals particularly the Frontline health workers like Asha, ANMs, Emergency Paramedical staff, etc across Telangana and working with the state government to ensure effective solutions. His work will encompass various sectors, including medical and dental practitioners, nursing and allied health professionals, mental health experts, emergency and critical care teams, alternative medicine practitioners, and veterinary professionals. His efforts will be directed toward ensuring that healthcare professionals receive the necessary support.

Mujtaba Hasan Askari is the Founder & Trustee of Helping Hand Foundation (HHF). Leaving his lucrative career at Infosys Technologies, he dedicated his life to public health and social development. He brings to the table 14 years of IT experience and 18 years in the development sector. He has worked with a mission of making healthcare accessible, equitable and affordable for the common man by strengthening the public health systems.

He thus set up Help Desk systems with 13 state run hospitals to enhance patient care services, & later through international charities & local CSR grants set up 20+ urban primary health centers, serving 6-7 lakh poor citizens annually, covering a catchment of 100 plus Urban and Peri Urban slums.
