ADMI announces new managing committee following successful 2025 elections

23 August 2025 | News

Newly constituted Managing Committee brings together distinguished industry leaders with deep expertise

The Association of Diagnostics Manufacturers of India (ADMI), the leading representative body of India's in vitro diagnostics (IVD) industry, has announced the formation of its new Managing Committee, following the successful completion of elections held in July 2025. The newly elected office bearers formally assumed charge during the Annual General Meeting (AGM) convened on August 23, 2025, in Kochi.

- President: Jatin Mahajan, Managing Director – J. Mitra & Co.
- Vice President: Sanjeev Lala, Senior Strategic Advisor – Advy Chemical Pvt. Ltd.
- Secretary: Dr Rajesh M. Patel, Chief Executive Officer – AGD Biomedicals Pvt. Ltd.
- Treasurer: Chirag Joshi, Chief Executive Officer – Beacon Diagnostic Pvt. Ltd.

Under their stewardship, ADMI will continue to champion regulatory and policy advocacy, promote innovation and self reliance, and enhance the accessibility, affordability, and quality of diagnostic solutions across the nation.

The newly constituted Managing Committee brings together distinguished industry leaders with deep expertise and proven track records in advancing diagnostic technologies. Their collective vision and commitment will play a pivotal role in shaping India's diagnostic ecosystem, fostering collaboration across stakeholders, and contributing to the growth of a robust and globally competitive IVD industry.

ADMI also extends its heartfelt gratitude to all members for their active participation in the election process and their unwavering support during the AGM.
