# Veteran policy maker & former IRDAI Chairman Debasish Panda joins Pristyn Care

02 October 2025 | News

**Pandaâ??s decades of governance and regulatory leadership to guide Pristyn Careâ??s next phase of growth**

Debasish Panda, former Chairman of the Insurance Regulatory and Development Authority of India (IRDAI) has taken on the role of Senior Advisor to Pristyn Care.

Recognised for his transformative contributions to India's financial and insurance landscape, Panda's association with Pristyn Care as a Chief strategic advisor underlines the company's credibility and its growing role in shaping the future of healthcare delivery in India.

An accomplished IAS officer of the 1987 batch (Uttar Pradesh cadre), Panda's illustrious career spans more than three decades across key leadership positions in the Government of India.

As Chairman of IRDAI and previously as Secretary of the Department of Financial Services (DFS), Ministry of Finance, he spearheaded reforms that reshaped India's banking, insurance, and pension sectors. His tenure is remembered for strengthening governance, improving consumer trust, and widening access to financial and insurance products for millions.

In addition to this, Panda has also served as the Joint Secretary in the Ministry of Health and Family Welfare and brings a lot of insights and experience in the healthcare sector.

His expertise, experience and strategic insights will contribute to Pristyn Care's vision of making quality healthcare more accessible, transparent, affordable and sustainable for millions of patients across India.

Panda's association with Pristyn Care represents a convergence of two shared missions, his lifelong dedication to public service and inclusive financial protection, and Pristyn Care's vision of delivering high-quality healthcare to patients across India. By combining Panda's policy expertise with Pristyn Care's technology-driven model, this partnership is poised to drive impactful innovations in insurance-linked healthcare, expand patient coverage, and enhance affordability.

His deep understanding of governance and institution-building, combined with Pristyn Care's expanding hospital network and digital capabilities, will help strengthen collaborations with regulators, policymakers, and industry stakeholders to create a more resilient and patient-focused healthcare system.
