Boehringer Ingelheim India appoints Meenal Gauri as Managing Director

25 February 2026 | News

Meenal brings in more than 16 years of international experience across Europe, Asia, and the Middle East

Boehringer Ingelheim has announced that Meenal Gauri has been appointed as Managing Director India, effective 12 January 2026. In this role, she will assume responsibility for the company's businesses in India, Bangladesh, Nepal, Sri Lanka, and the Maldives. Further, she would also join the Board of Boehringer Ingelheim India.

Meenal brings in more than 16 years of international experience across Europe, Asia, and the Middle East, with expertise spanning marketing, sales, corporate strategy, business development, and market access. Her diverse background and deep understanding of healthcare ecosystems across geographies enable her to lead Boehringer Ingelheim India as it advances bold ambitions for growth and patient impact with its India Vision 2030.

During her tenure in regional roles with Boehringer Ingelheim, Meenal has played a central role in strengthening the company's presence across complex markets and successfully leading high-impact product launches and strategy. Additionally, as a trained Co-Active coach, she is equally passionate about empowering and developing future leaders. These values are strongly aligned with Boehringer Ingelheim's culture of collaboration and long-term commitment.
